Present: Mrs. Borgman, Messrs. Hack, Milks, Mosher, Peck, Russell, Tietz—7.

Absent: Mr. Guyselman—1.

Mr. Guyselman was excused from the meeting.

Minutes of the previous meeting were approved as printed.

By the Committee on Waste Disposal—

That the Board of Public Service recommend to the City Council that the 10 in. sewer on Coulson Court, constructed in 1965 by Raff and Dexter Contractors, (P.S. No. 86003) be not accepted and that the entire sewer be replaced as soon as conditions permit.

Motion by Mr. Tietz supported by Mr. Russell that the report of the Committee be accepted.

Carried.

### GENERAL BUSINESS

Director of Public Service reported on the Coulson Court Sewer Project and exhibited slides and report from Laval Underground Surveys.

Referral from the City Council of a request from the Motor Wheel Corporation to vacate David Street from a point 148 feet east of the center line of North East

## RESEARCH AND PUBLIC RELATIONS SUB-COMMITTEE

Mrs. Betty Goodman, vice-chairman explained about a meeting they held on February 1, 1966 with the Police Personnel Board to discuss better Police Community relations and the In-Service training program for Police officers. Explained also were the types of F.H.A. properties to be available for open market.

## UNFINISHED BUSINESS

None.

## NEW BUSINESS

### Public Hearing—

This meeting was held at the Lansing Church of God and Christ (the first in a series of meetings to be held outside the City Hall). There were approximately 50 people present at this meeting (members of families being displaced by the I-496 highway) to discuss with the Committee, their problems and complaints of being

unable to find homes in their price range and being unable to find homes in areas equal to the areas in which they are presently living. Demands were made by the residents to discontinue the highway construction until adequate housing is found for the displaced families, even if it would mean the possible loss of federal funds.

Mr. William Mateer—Housing Director, and Mr. Marcell Elliott from the relocation office were also present at the meeting. Mr. Mateer answered a number of questions asked him by the audience regarding available low-rent housing. After this had been reviewed and the highway department time table was given for razing homes along the corridor, many expressed their feelings as to the deadlines.

The Director stated due to industrial expansion and the people coming to Lansing to live from out State have complicated the problem of providing ample housing for people in the corridor.

Meeting adjourned at 9:45 p.m.

Respectfully submitted,

JAN THOMPSON,  
Secretary.

Prayer was offered by Rabbi Philip Frankel.

## ROLL CALL

Present: Cutler, Dunning, Frankel, Goodman, Lundberg, Faiver, Davenport—7.

Absent: Darling, Gannon, Haruska, Lett—4.

Visitors: None.

## PETITIONS

There were 3 petitions—2 informal complaints and 1 written complaint all of which have been investigated.

## Written Complaint

1. Complaint from a resident in regards to a police officer firing his gun in a residential area in an attempt to halt his assailant. Chairman Lundberg requested that a letter be written to the Police and Fire Board asking what their current policy, limitations, etc., is in pursuit of this type of problem.

The engineer reported new complaints regarding Davison Chemical. The new cyclones have been installed on the granulation unit. He has not had an opportunity to investigate since the complaint was received.

Mr. Pesterfield reported that West Side Gravel has applied some chloride, as he requested, but he has received more complaints. He will recheck to see whether further chloride application will give relief.

Mr. Pesterfield reports that he revisited Capital Laundry. They have installed a gas unit which is operating very well. The neighborhood is pleased. Mr. Pesterfield recommends discharge of the complaint. It was moved by Mr. Bintz, seconded by Mr. Dodson, that the Board concur in the recommendation of the engineer. Motion carried.

There have been complaints of odors between 8 and 9:30 p.m. from the Sewage Disposal Plant. Mr. Pesterfield has not

been able to investigate to date but will report at the next meeting.

Mr. Tableman called attention to approval of the Board of Water and Light's request to build an incinerator. They have incorporated changes recommended by the Air Pollution Board.

The next meeting will be held Wednesday evening, August 31, 1966, at 7:30 p.m., in Room G-30 of the City Hall.

It was moved by Mr. Dodson, seconded by Mr. Tamer, that the meeting be adjourned. Motion carried.

The meeting was adjourned at 8:50 p.m.

Respectfully submitted,  
MARVIN TABLEMAN,  
Chairman,

NORMA DONOVAN,

# OFFICIAL PROCEEDINGS OF THE BOARD OF ELECTRICAL EXAMINERS OF THE CITY OF LANSING

## Proceedings, December 22, 1966

The meeting was called to order at 7:30 p.m. by Chairman Everett Eschbach.

### ROLL CALL

Present: Mrs. Hager, Messrs. Eschbach, Griffin, Reynolds, Russell—5.

Absent: Hilley, Ramey, Rosa—3.

Mr. Bruce King, Ray Guernsey and Curt Hanes were also in attendance.

It was moved and supported that the minutes of November be approved.

Motion carried unanimously.

Mr. Griffin gave a brief resume of the Committee of the Whole meeting with Richard Neller regarding a proposal for campus town development. Mr. Eschbach pointed out that Mr. Neller wanted to know the Board's attitude on residential development along with retail and offices in this area since a plan change would be required. Mr. Guernsey stated that the mixture of uses could be handled under a Community Unit Plan but the parking requirements for residential use in this area needs further study.

A Committee of The Whole meeting was suggested for 11:30 a.m. Wednesday, January 4, 1967 for a review of proposals submitted by Franklin DeKleine and Capital Advertising.

The Director gave a brief report on the field visit of Mr. West and Mr. LaPorte from the Chicago Regional Office of the Department of Housing and Urban Development surveying industrial areas that might qualify for urban renewal projects. Preliminary treatment areas under the Community Renewal Program are being delineated and one of the prime considerations is assisting existing industry at their present locations along with rehabilitation and conservation of the surrounding neighborhoods.

Mr. King gave a report as to the legal status of the Project.

Meeting adjourned at 8:45 p.m.

Respectfully submitted,  
URBAN REDEVELOPMENT  
BOARD,  
WINSTON E. FOLKERS,  
Secretary.
